ROUNDUP

Suicide prevention art contest through March 28

The Art Made, Lived Saved poster contest runs through March 28, inviting local middle and high schoolers to put forth original art aimed at preventing suicide.

Students who are Medina County residents and in grades 6-8 are asked to submit posters no bigger than 22"-by-28. The poster must be delivered to Alternative Paths 246 Northland Drive, Medina, in person or submitted by mail. Mailed entries must be postmarked by March 28, according to organizers.

The first and second place poster prize is \$250.

High schoolers can submit a 5.5"-by-3.5" oval-shaped graphic that will possibly become a sticker in suicide prevention campaigns.

Entries can be hand-drawn and scanned or created digitally but must be submitted to judges as a JPG file.
